RE: Investigation of Doverbrook Board of Trustees

Board of Trustees,

Interested Unit Owners from the Doverbrook Condominium Trust conducted a preliminary meeting to form a committee to be named, which was held on Saturday, November 10, 2007, at 9:00 AM.

The purpose of the meeting was a discussion to form a committee of unit owners to investigate the actions of the Board of Trustees, and their alleged willful misconduct and breach of their fiduciary responsibilities as pertaining their responsibility to the Units Owners of Doverbrook Condominium Trust.

It is the intent of this preliminary Impeachment Committee to hold the Doverbrook Board of Trustees responsible for its willful misconduct, breach of fiduciary responsibility, and self dealing while performing its obligations in the performance of serving the Doverbrook Unit Owners.

Reasons as follows:

- 1. Failure of Fiduciary Responsibility to Unit Owners;**
- 2. Failure to Enforce Governing Documents;**
- 3. Failure to provide adequate safety measures for Unit Owners;**
- 4. Failure to consider professional recommendations and reports from Committees; and**
- 5. Failure to maintain the common area.**

A second meeting was held on November 21, 2007 at 6:30 PM for the same purpose, and to formulate a plan of action. To that end, the name of the committee was determined to be Unit Owners of Doverbrook Impeachment Committee, and the objectives of the committee are as follows:

1. To return fiduciary responsibility and accountability to the Doverbrook Board of Trustees;
2. To return the rule of law whereby the Massachusetts Condominium 183A laws, and the Doverbrook Bylaws are enforced according to the laws as written.
3. To inform the Doverbrook Unit Owners of the actions of the Board of Trustees which constitute willful misconduct, breach of fiduciary responsibility, and self dealing by the Trustee(s).
4. Re-Institute the Landscaping Committee as disbanded by the Doverbrook Board of Trustees.
5. Provide information to the Doverbrook Unit Owners as needed to inform Unit Owners of information pertinent to the best interest of the Unit Owners.

6. Exercise the utmost of good faith towards the Unit Owners, fairly and equally.
7. Additional objectives as determined by the Unit Owners of Doverbrook Impeachment Committee from time to time.

A total of 4 open meetings of the Unit Owners of Doverbrook Impeachment Committee have been held to date.

The investigation will proceed immediately.

Please be advised that the consequences of a finding of breach of fiduciary duty can be severe. First, the offending board member will be held personally liable in money damages for all pecuniary losses sustained as a result of his misconduct. Such judgments (and the attendant legal fees) are not covered by directors and officer's liability insurance. In addition, courts are not shy about assessing punitive damages against those board members who breach this most exacting of moral obligations.

To this end, and as a part of the investigation, the Doverbrook Impeachment Committee will contact and inform any and all Doverbrook Legal Counsel(s) of the pending investigation, and will inform the legal counsel of it obligations to the Court in reporting any breach of law or misconduct, including breach of fiduciary responsibility.

Respectfully submitted,

Ken White, Chairman
